

Compliance action taken for childcare provision

Ref: EY380648/6041203

Date: 17 June 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 May 2025, we received concerns that the provider was not meeting requirements relating to safeguarding policies and procedures.

On 6 June 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Action needed by 18 June 2025:

- develop a robust understanding of when Ofsted must be notified about significant events that are likely to affect an individual's continued suitability to be in regular contact with children.

On 10 June 2025, the provider responded to the action that was set. We found that the provider had improved their knowledge and understanding of notifiable events. The information gathered suggests that the provider is now meeting the requirements of their registration. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
