

Compliance action taken for childcare provision

Ref: EY382538/5891834

Date: 13 June 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 28 November 2024, we received concerns that the provider was not meeting requirements relating to safeguarding policies and procedures and concerns about children's safety and welfare

We suspended the provider's registration on 28 November 2024 because we believe children may be at risk of harm. Suspension allows time for the provider to take steps to reduce or eliminate the risk of harm to children. The provider has a right to appeal against a suspension. The provider may not provide childcare for which registration is required while the suspension is in place and may commit an offence if they do so.

We took steps to cancel the provider's registration. On 7 March 2025, the provider objected to us taking this step. Having heard the provider's reasons for objecting to this step, we did not uphold the objections so have decided to proceed with cancellation.

The provider's registration is therefore cancelled.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
