

Compliance action taken for childcare provision

Ref: EY403285/6134574

Date: 3 October 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage (EYFS), which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 August 2025, we received concerns that the provider was not meeting requirements relating to EYFS safer eating, medicines and suitable people.

On 1 October 2025, we carried out a regulatory visit. We found the provider was not meeting the requirements in regards to safer eating following food containing an allergen served to children with a known allergy. We have issued actions for the provider to take. In addition we found that the provider had failed to notify Ofsted of a significant event, which is a requirement of their registration. The provider will be able to give parents further information about this.

Actions needed by 15th October:

- ensure children's allergies and dietary requirements are adhered to when serving food to keep children safe and healthy

On 7 October 2025, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of foods served to children with known allergens, staff have completed refresher training on the procedures to follow. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.
