

Compliance action taken for childcare provision

Ref: EY406681/6244558

Date: 13 February 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 30 January 2026, we received concerns that the provider was not meeting requirements relating to Suitable people.

On 10 January 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 25 February 2026.

- improve risk assessments so that all potential hazards are identified and managed effectively, ensuring every adult in the setting understands and carries out their responsibilities consistently, to keep children safe
- provide effective supervision and support for assistants, particularly in relation to their ongoing suitability to work with children.

On 19 February 2026, the provider responded to the actions set. We found that the provider had improved their knowledge and understanding of the requirements related to risk assessments, and providing adequate supervision for all assistants.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply

with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
