

Compliance action taken for childcare provision

Ref: EY407618/6351032

Date: 5 May 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 01 May 2026, we carried out a regulatory telephone call. We identified concerns that the provider was not meeting some of the requirements relating to suitable people and references. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 13 May 2026:

- ensure you obtain appropriate references for all assistants as part of checking their suitability

On 19 May 2026, the provider responded to the action set. We found that the provider had taken steps to obtain references for all staff employed within the setting. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
