

Compliance action taken for childcare provision

Ref: EY411750/6323758

Date: 16 April 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 27 February 2026, the provider notified us about matters relating to supervision of staff. However, this notification was not made in within the timescales required. This means the provider failed to meet their legal responsibilities set out in the statutory framework for the early years foundation stage.

On 16 March 2026, we received concerns that the provider was not meeting requirements relating to information and record keeping.

On 14 April 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 28 April 2026:

- ensure leaders understand the process to follow should an allegation be made against a member of staff
- support staff to be able to raise concerns and ensure these are responded to appropriately by leaders
- implement effective systems for staff supervisions to provide support, coaching and

training to all staff in order to improve practice

We will monitor the provider's response to ensure the action/s is/are successfully completed. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
