

Compliance action taken for childcare provision

Ref: EY412426/6347826

Date: 24 April 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 30 March 2026, we received concerns that the provider was not meeting requirements relating to safeguarding policies and procedures, concerns about children's safety and welfare, safeguarding training and changes that must be notified to Ofsted.

On 17 April and 22 April 2026, we carried out regulatory telephone calls. We found the provider was not meeting some of the requirements and had taken action to put this right. Staff have increased their knowledge and understanding of how to implement the safeguarding policy and their awareness of reporting concerns to the correct agencies. Staff receive ongoing support to continue to develop their confidence about safeguarding. Leaders have improved their links with other agencies to ensure children are kept safe and they are aware of what changes must be notified to Ofsted.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
