

Compliance action taken for childcare provision

Ref: EY412849/6233747

Date: 6 February 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 03 December 2025, the provider notified us about matters relating to health, and concerns about children's safety and welfare.

On 26 January 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Action needed by 16 February 2026

- gain a secure understanding of local safeguarding partnership procedures, including what to do if there are concerns about a child.

On 17 February 2026, we carried out a regulatory visit. The focus of the visit was to check whether the provider had met the safeguarding and welfare action. We found that the provider had improved their knowledge of local safeguarding partnership procedures. They had attended further training and showed a clear understanding of the procedures to follow to identify and refer concerns. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
