

Compliance action taken for childcare provision

Ref: EY416242/6250514

Date: 22 December 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 12 December 2025, the provider notified us about matters relating to paediatric first aid and key person. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 22 December 2025, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements. We issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 5 January 2026:

- ensure that all children's care is tailored to meet their individual needs.

On 2 January 2026, the provider responded to the action set. We found that the provider has implemented robust procedures for responding to medical emergencies to ensure children's individual needs are met.

We are satisfied the provider has met the safeguarding and welfare action raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
