

Compliance action taken for childcare provision

Ref: EY418276/6248168

Date: 30 January 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 18 December 2025, the provider notified us about matters relating to whistleblowing, changes that must be notified to Ofsted, supervision of staff and concerns about children's safety and welfare. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event which is likely to affect the suitability of any person who cares for children on the premises.

On 28 January 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements because they failed to notify us of a significant event within 14 days. However, the provider took immediate action by liaising with other agencies and later notified Ofsted of this event. The management team have reviewed their safeguarding and whistleblowing policies and procedures with staff as a result. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
