

Compliance action taken for childcare provision

Ref: EY424761/6316320

Date: 2 July 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 25 February 2026, we received concerns that the provider was not meeting requirements relating to the support for, and fair and equal treatment of staff. On 5 March 2026, the provider notified us about related matters. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 25 June we carried out a regulatory visit and found the provider was meeting requirements. However, we found that the provider had failed to notify Ofsted of changes to the individuals making up the governing body, which is a requirement of their registration. We issued an action for the provider to take.

- provide Ofsted with the required information to determine the suitability of all directors legally responsible for the company.

The provider has subsequently taken action to put this right. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
