

Complaint about childcare provision

Ref: EY425119/6285490

Date: 16 February 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 27 January 2026, the provider notified us about matters relating to supporting and understanding children's behaviour. notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 16 February 2026, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements and had taken action to put this right. The provider has retrained all staff in the setting in terms of behaviour management. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
