

Compliance action taken for childcare provision

Ref: EY431361/5996900

Date: 10 June 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 28 March 2025, the provider notified us about matters relating to

safeguarding policies and procedures. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 29 May 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. Leaders and staff have attended training on safeguarding to improve their knowledge and understanding of how to manage an allegation against a member of staff. Leaders have reviewed arrangements for induction and supervision of staff and provided training for all staff to improve their knowledge of handling children in an appropriate way. These measures have supported staff to understand their roles and responsibilities and how to manage children's behaviour positively and consistently. These measures ensure children's safety at the setting.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply

with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
