

Compliance action taken for childcare provision

Ref: EY431718/6340986

Date: 5 June 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 25 March 2026, the provider notified us about matters relating to concerns about children's safety and welfare. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted.

On 2 April 2026, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements. We have issued action for the provider to take below within the timescales set out below. The provider will be able to give parents further information about this.

Actions needed by 17 April 2026 to

- ensure concerns about a child's safety or welfare are notified to the local authority social care team, in line with local reporting procedures.

We will monitor the provider's response to ensure the action is successfully completed. The provider is still registered with Ofsted.

On 13 April 2026, the provider responded to the action set. We found that the provider implemented local reporting procedures, and are satisfied they have met the action raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
