

Complaint about childcare provision

Ref: EY436163/6265458

Date: 9 July 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right

On 11 December 2025, we received concerns that the provider was not meeting requirements relating to information and record keeping.

On 8 July 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take.

This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Action needed by 8 August 2026:

- review and strengthen information sharing procedures to ensure relevant information about each child is shared consistently with parents and carers.

We will monitor the provider's response to ensure the action is successfully completed. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
