

Compliance action taken for childcare provision

Ref: EY443670/5751899

Date: 11 June 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 6 June 2024, the provider notified us of a serious incident. The notification means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of any significant event that may affect the suitability of the early years provider or any person who cares for children on the premises to look after children. On 10 June 2024, we carried out a regulatory telephone call. We found the provider had not met one of the requirements. This related to an incident whereby the provider did not report concerns about children's safety or welfare in a timely way. We have issued the following action to improve:

ensure that safeguarding procedures are robust and any concerns about children's safety or welfare are notified to relevant agencies without delay (24 June 2024).

Ofsted is satisfied with the action taken by the provider. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
