

Compliance action taken for childcare provision

Ref: EY446157/4855160

Date: 17 September 2021

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2.

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 30 July 2021, the provider notified us that an allegation had been made against a family member. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of a significant event which is likely to affect the suitability of the early years provider. We discussed the issues with the provider and completed our investigations. We have issued a Notice to Improve. This required the provider to take the actions below within the timescales set out. We are satisfied with the response received from the provider. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed

- ensure you follow your safeguarding policy and procedures. This particularly refers to the action to take when an allegation is made - by 31 August 2021.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
