

Compliance action taken for childcare provision

Ref: EY447021/5775349

Date: 22 August 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 12 June 2024, the provider notified us about Safeguarding policies and procedures. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any allegations of serious harm or abuse by anyone living, working or looking after children at the premises.

On 21 August 2024, we carried out a regulatory visit. We found the provider was meeting the requirements. On 21 August 2024, we carried out a regulatory visit. We found the provider was meeting the requirements and has taken action through their own internal procedures. They acknowledge that the implementation of the curriculum could be further improved across the breadth of the day. They have a strategy in place to support children to be fully engaged in learning. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
