

Compliance action taken for childcare provision

Ref: EY447021/6399855

Date: 22 July 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 April 2026, we received concerns that the provider was not meeting requirements relating to staff: child ratios and health. In addition, on 20 May 2026, the provider notified us about matters relating to staff: child ratios. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events relating to children.

On 20 July 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. We also found that the provider had improved medication procedures. The provider will be able to give parents further information about this.

Action needed by 30 July 2026:

- ensure children remain in sight or hearing of staff at all times, particularly during toileting.

We will monitor the provider's response to ensure the action is successfully completed. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
