

Complaint about childcare provision

Ref: EY448922/5761049

Date: 10 July 2024

Summary of outcome

'All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 June 2024, we received concerns that the provider was not meeting some of these requirements. On 9 July 2024, we carried out a regulatory telephone event. We found the provider had taken action following an incident. This included improving details in their risk assessments to ensure children's safety.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
