

Compliance action taken for childcare provision

Ref: EY450428/5608647

Date: 26 February 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2.

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 November 2023 and 5 December 2023, the provider notified us of two separate significant events. These notifications mean that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant incident.

On 26 January 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take.

Action needed by 09 February 2024:

- ensure all staff working with babies take the necessary measures to minimise any risks to children's health or safety as they play and explore.

On 13 February 2024, the provider responded to the action set. We found that the provider had minimised risks to babies by ensuring staff risk assess children's activities and use age-appropriate resources for their play.

We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
