

Compliance action taken for childcare provision

Ref: EY451007/6280832

Date: 16 March 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 28 October 2025, the provider notified us about matters relating to the safety and suitability of the premises, environment and equipment. In addition, the provider notified of other changes relating to health. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of changes or significant events which may impact the premises on which childcare is being provided and persons caring for children.

On 11 March 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We found that the provider had not notified Ofsted of other changes but had taken steps to put this right. The provider has improved their understanding of the importance of keeping Ofsted informed of any changes to any household member which is likely to impact their suitability and share the risk assessment for managing this with Ofsted.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
