

Compliance action taken for childcare provision

Ref: EY451481/5834163

Date: 4 October 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at <http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2>. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 September 2024, the provider notified us about a significant event relating to Safeguarding policies and procedures, Accident or injury and Safety and suitability of premises, environment and equipment. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 2 October 2024, we carried out a regulatory telephone call. We found that safeguarding policies and procedures were effective along with the accident or injury procedures. The provider also ensures that the safety and suitability of premises, environment and equipment are appropriate. However, we also found the provider was not meeting some of the requirements and had taken action to put this right. They have reviewed the risk assessments regarding nappy changing procedures to ensure children are safe at all times. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
