

## **Compliance action taken for childcare provision**

Ref: EY460492/6224161

Date: 19 December 2025

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at <http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2>. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 November 2025, the provider notified us about matters relating to suitable people, safeguarding policies and procedures, supervision of staff, information and record keeping, safety and suitability of premises, environment and equipment and other legal duties. The notification means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of a significant event.

On 18 December 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider notified the appropriate authorities of a significant event. The provider completed a review of the policies and procedures for safer sleeping arrangements these have also been shared with staff. Furthermore, staff have refreshed safer sleeping training. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
