

Compliance action taken for childcare provision

Ref: EY464747/5860585

Date: 17 January 2025

Summary of outcome

On 24 October 2024, we received concerns that the provider was not meeting requirements relating to Suitable people and Information and record keeping.

On 17 January 2025, we found that the provider had failed to notify Ofsted of a significant event, which is a requirement of their registration. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
