

Compliance action taken for childcare provision

Ref: EY471828/5702476

Date: 20 May 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework-2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 09 April 2024, we received concerns that the provider was not meeting some of these requirements.

On 16 May 2024, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements and had failed to notify Ofsted. We have issued an action for the provider to take the action below within the timescales set out.

Actions needed by 3 June 2024

- gain a secure knowledge of all the changes and events that must be notified to Ofsted.

On 31 May 2024, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of notifying Ofsted and now fully understands their responsibilities. The provider will be able to give parents further information about this.

We are satisfied the provider has met the action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
