

Compliance action taken for childcare provision

Ref: EY481188/6350822

Date: 14 May 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 30 March 2026, the provider notified us about matters relating to suitable people. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event.

On 13 May 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider had worked with local safeguarding partners to deliver essential training to all safeguarding leads, with a focus on effective and accurate referrals relating to allegations against staff. The provider had also implemented additional continuous professional development opportunities to ensure safeguarding leads are confident in following safeguarding procedures, including making referrals. These actions help ensure that staff are effectively trained in line with requirements.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
