

Compliance action taken for childcare provision

Ref: EY482796/6173608

Date: 19 November 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 01 October 2025, the provider notified us about matters relating to accident or injury and paediatric first aid. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any serious accident or injury.

On 12 November 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 05 December 2025:

- demonstrate a clear knowledge and understanding of roles and responsibilities to ensure children's safety and happiness, including recognising and responding appropriately to possible accidents or injuries sustained by children.

On 02 December 2025, the provider responded to the action set. We found that the provider had updated her policies and procedures for managing accidents and injuries and demonstrated an improved understanding of her role and responsibilities. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
